Education

CENTRAL LUZON STATE UNIVERSITY

Bachelor of Science in Information Technology

- DOST SEI Undergraduate Scholar (R.A. 7687)

Science City of Muñoz, Nueva Ecija

August 2022 - Present

Experience

Department of Science and Technology

Software Developer Intern

Remote

June 2025 – July 2025

- Developed core backend features and optimized analytics reporting for an internal government platform using Laravel, PHP, and MySQL.
- Built and integrated data-driven modules, including scientist profiles, user/account management, and admin dashboards, to support detailed operational analysis.
- Improved system reliability through clean code practices, structured data workflows, and consistent backend architecture.

Projects

I-MOVE System (Laravel, Vue.js, MySQL)

- Developed a scalable full-stack mobility management system (inbound/outbound applications, visitor engagement) with secure REST APIs and role-based access control (RBAC).
- Designed normalized database schemas and built a responsive, component-based Vue.js interface, ensuring end-to-end functionality across all modules.

Kwento Kwela (Figma)

- Designed a high-fidelity prototype with user flows and core screens, led branding, and created the pitch deck for an interactive storytelling platform.

Leadership and Activities

IT STARTUP CHALLENGE

Science City of Muñoz, Nueva Ecija

Participant / Researcher & Presenter

October 2025

- Collaborated on *Trapiko*, a Figma-based SaaS prototype, contributing research, business strategy, and delivering the pitch.
- Won **Overall Winner in SaaS & Business**, **Best in Business Plan**, and **Best Presenter** for effective presentation and market analysis.

CLSU ASSOCIATION OF DOST SCHOLARS

Science City of Muñoz, Nueva Ecija

Multimedia Head

August 2024 - Present

- Managed end-to-end multimedia content production and coordinated a 5-member creative team to execute organizational communication goals.

Technical Skills

Programming & Frameworks: PHP, Laravel, Tailwind CSS, HTML, CSS, Python, Bootstrap **Databases:**

MySQL Tools & Environments: Figma, Git, Visual Studio Code

Certifications

Scholars Technopreneurship Training Program

July 2025 - Nov 2025

DOST, PhilDev

- Completed entrepreneurship, ideation, and product development training; produced **Kwento Kwela**, a high-fidelity interactive storytelling prototype.
